FIRST PROJECT OF ITS NATURE IN DHA HISTORY

Future Commercial Hub and luxury living

About Project

China Gold Park Mall & Residency is a highly promising Commercial Cum Residential High Rise project of China Group.

Management of China Group has rich experience of over a decade in this field, under the umbrella of Euro brand.

China Gold Park Mall and Residency is going to be the first project of its nature in DHA. It is to be highly prestigious commercial center with luxury livings on the top floors. The project has been designed with customer centric focus supported by state of the art technology. It is a perfect piece of exemplification of latest architecture and design, comprising of three levels of commercial floors, four levels of carparking, with a spacious recreational area and eight levels of luxury apartments.

Vision

To Provide Integrated Commercial and Residential facilities by incorporating state of the art technologies with Best Practices, creating high return on Investment.
